

**MONROE TOWNSHIP BOARD OF SUPERVISORS  
39 MUNICIPAL DRIVE  
SELINGROVE, PA 17870  
FEBRUARY 3, 2022**

The Monroe Township Board of Supervisors held a special meeting on Thursday, February 3, 2022 at 6:00 p.m. at the Monroe Township Municipal Building. Present were: Chairman David Heimbach, Vice-Chairman Ryan Mack, Supervisor Steven Paige, Terry Conrad, Road Foreman; and Stephanie A. McKinney, Secretary/Treasurer.

Visitors present were: Rick Bailey.

**NEW TRUCK QUOTE:**

- Terry Conrad presented a quote for a new truck. A special meeting was called because orders for 2022 trucks will close at an unknown date. After that the new 2023 trucks will come out but orders will not be taken until July 2022 and will be at a higher cost. The quote was for a 2022 Ford F-550 Chassis 4x4 SD Regular Cab from Sunbury Motors for a Costars contract price of \$60,740 with an upfitting from Bradco Supply at a Costars contract price of \$47,081.86 for a total quote of \$107,821.86. The truck will replace a 2016 Ford F550 gas powered truck due to rising gas costs and the low gas mileage of the truck. The board requested a trade-in price from Sunbury Motors. Supervisor Paige moved, seconded by Supervisor Mack to purchase a 2022 Ford F550 diesel truck from Sunbury Motors with the upfitting from Bradco Supply for a total cost of \$107,821.86, Motion was passed unanimously.

**ZONING VEHICLE:**

- Rick Bailey presented 2016 Chevrolet Equinox for sale for \$17,000 as use for township business to replace the 1999 Jeep. Mr. Bailey knew the owner and the vehicle was kept in great shape. The owner is waiting for a new vehicle and would not sell until they received their new vehicle sometime in the spring. The board decided that they are interested in the vehicle but would revisit the purchase in the spring when the owner is ready to sell.

Supervisor Paige moved, seconded by Supervisor Mack to adjourn the meeting at 6:37 p.m. Motion was passed unanimously.

Respectfully Submitted,

Stephanie A. McKinney  
Township Secretary/Treasurer
